

Elephant Head Lodge Employee Prospective

Dear Prospective Employee,

Thank you for your interest in employment with the Elephant Head Lodge, which is a small 15 log cabin family oriented mountain lodge, located East of Yellowstone National Park and in the Shoshone National Forest. We have our own restaurant and lounge, and arrange horse rides. Our lodge is a wonderful base for the guests touring Yellowstone National Park, Cody, & the Shoshone National Forest.

We expect you will find your time spent here filled with many new friendships and frequent opportunities for wilderness outdoor experiences, including horseback riding, fishing, hiking, relaxing, viewing wildlife, the Cody Nite rodeo, western shopping and entertainment, Shoshone National Forest, Yellowstone National Park, and Cody, WY. We are located in the Shoshone National Forest (the oldest National Forest) just 11.7 miles from Yellowstone National Park's East Entrance. Our highway from Cody is often called the most scenic 50 miles in America, as stated by President Theodore Roosevelt. We are 40 miles west of historic Cody, Wyoming.

The Elephant Head Lodge gets its name from a rock formation overlooking it. The Lodge, Restaurant, and the "Trapper" cabin were all built in the 1920s by Buffalo Bill Cody's niece, Josephine Thurston, and her husband Harry W. Thurston. Harry chose the site for its water. He was one of the first Rangers in the Shoshone Forest and knew about the spring that still serves the Lodge today. It was a dependable source of good water for early travelers to Yellowstone – and for trappers and Indians before them. The Elephant Head Lodge is listed on the National Register of Historic Places. The lodge is owned/operated by Debbie Millard, who is a Wyoming native with a fourth generation ranch family background.

We are currently hiring for our summer & fall season. Employees must be at least 18 years of age to be eligible. Employees are expected to exhibit proper hygiene and to have a clean and neat appearance while on shift or in the public eye on property. While we encourage your individuality, pierced jewelry, extreme hair colors and visible tattoos must be acceptable. You **MUST** be able to provide a valid picture ID or Passport, and a social security card before the start of your first shift. The Elephant Head Lodge is an equal opportunity employer. Our positions do require good health and being physically fit.

The Elephant Head Lodge provides an ideal location for your time spent in Yellowstone country. Your room and board are provided on site! Wages will start daily at 5-6 days/week, and pay is based on the position and your experience in that position. Housing facilities are here, so no driving to work which saves time and money. Sorry but our employee housing facilities do not accommodate children and pets. There are three 'good' meals a day. Smoking is not allowed in our facilities, and controlled substances and paraphernalia are strictly forbidden. Use of alcohol during work is prohibited, and underage drinking is illegal. Any substance abuse that affects work performance or guests will not be tolerated. Your own vehicle is suggested, if possible. Remember we are 40 miles from the closest town, so it is a RURAL setting with relaxing and outdoor opportunities, and a time to let you save your money. This can be an experience that will last a lifetime and not just a job. Come to enjoy the area.
